## OIL RESISTANT PVC GLOVES WITH KEVLAR LINER

### DESCRIPTION

13G seamless knit Kevlar® and PVC coating provide reliable protection against oils and cut hazard. OR656KEV has a dipped rough finish that makes handling wet and slippery materials easier and safer. An anti-oil compound vinyl film actually works against a slippery surface to ensure a good grip performance. The ergonomically designed hand shape provides a natural fit and better comfort.

### FEATURES

#### Cut resistance

OR656 together with Kevlar® offers the high assurance of cut resistant protection on knit area.

#### Workability

A combination of cotton and Kevlar® provides great comfort.

### GLOVE SERIES

OR655  
10 inch(26cm)
