FEATURES

- PowerGrab KEV4 is upgraded with Dupont™'s brand new Kevlar® with steel fiber, now reaching level D of ISO cut resistance to become the new PowerGrab KEV4-S.
- Designed to reach the perfect balance between great cut resistance and flexibility, with TOWA's MicroFinish® soft and flexible latex coating technology.
- The 10 gauge liner coupled with latex double coating provides excellent durability and abrasion resistance for the most strength demanding and heavy tasks.
- Certified to sustain contact heat up to 250 degrees Celsius for 15 seconds.
