FEATURES

- » PowerGrab KEV4 is upgraded with Dupont™'s brand new Kevlar® with steel fiber, now reaching ANSI A4 & ISO D cut resistance to become the new PowerGrab KEV4-S.
- » Designed to reach the perfect balance between great cut resistance and flexibility, with TOWA's MicroFinish® soft and flexible latex coating technology.
- » The 10 gauge liner coupled with latex double coating provides excellent durability and abrasion resistance for the most strength demanding and heavy tasks.
- » Certified to sustain contact heat up to 480 degrees Fahrenheit (250°C) for 15 seconds.

APPLICATIONS
