FEATURES

- » TOWA's most feature rich cut resistant glove to date: high level cut resistance, contact heat resistance up to 250 degrees for 15 seconds, industry leading oil grip, touch screen compatibility and double coating to avoid oil penetration to the palm.
- » TOWA's exclusive coating, MicroFinish®, provides excellent grip and flexibility.
- » New liner of 15G Kevlar® fibers with steel to achieve better cut resistance and higher flexibility than our previous ActivGrip™ KEV model.
- » TOWA's ergonomic open-back design reduces perspiration and minimizes hand fatigue.
