**FEATURES**

- » Very high cut resistance level (ISO cut level E, ANSI cut level 5) with nitrile double coating with MicroFinish® for excellent oil grip and abrasion resistance.
- » The 18G liner allows to maintain great flexibility and light weight, making this glove ideal for any task that require dexterity and precision at the fingertips.
- » Compatible with most touch screens. The user doesn't need to take the gloves off when operating on a tablet or a phone, increasing workplace safety.
- » The thin liner, its flexibility and light weight coupled with TOWA ergonomic design all combine to greatly reduce hand fatigue of the user.

**APPLICATIONS**
