Size 6/XS-11/XXL  
Color Coating: Blue-gray, Liner: White & Blue

Size & Hem Color

6/XS	7/S	8/M
9/L	10/XL	11/XXL

NanoFinish™ technology  
for excellent grip

Latex double coating

Recycled Nylon with  
inner cotton plating

## FEATURES

- » MagneX™ 319 combines a 15G liner made of recycled nylon with our brand-new latex NanoFinish™ palm coating technology to offer great flexibility and sustainability.
- » The NanoFinish™ latex coating delivers enhanced dry and wet grip performance. Dirt, soil or other small bodies do not accumulate inside the coating's pores, allowing for a long-lasting grip performance.
- » To make sure the gloves remain functional with its extreme grip, we added Towa's exclusive inner liner technology. The liner is plated inside with cotton to prevent the hand from slipping within the glove.
- » The two layers of latex stop liquids from passing through the coating.

**NANOFinish™**

## APPLICATIONS

**Towa Ecological Symbol**  
This mark guarantees that this glove is using certified and traceable recycled fibers.
