MicroFinish® technology for exceptional oil grip

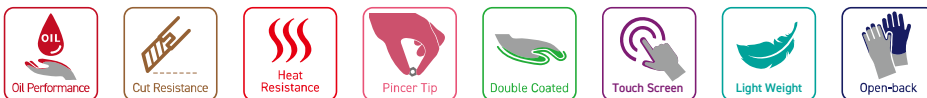

Nitrile double coating

TOWA exclusive ergonomics comfort and flexibility

FEATURES

- » Very high level of cut resistance: ANSI/ISEA A6, Cut F ISO level
- » Nitrile double coating with MicroFinish® for excellent oil grip and abrasion resistance as well as for keeping your hands clean.
- » TOWA's exclusive hand mold brings its unique fit which gets as close to the fingers as possible allowing extreme dexterity and precision even at the fingertips.
- » Compatible with most touch screens, the user doesn't need to take the gloves off when operating on a tablet or a phone, increasing workplace safety.
- » The light weight flexible liner with TOWA ergonomic design all combine to greatly reduce hand fatigue of the user. HPPE fibers help keep the hand cool.

APPLICATIONS
