Colors Coating: Blue & Black, Liner: Gray

Size & Hem Colors

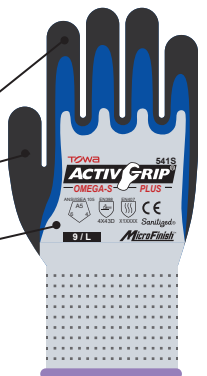

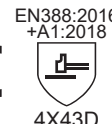

6/XS 7/S 8/M
9/L 10/XL 11/XXL

Nitrile double coating & MicroFinish® technology

Liquid resistant palm & fingers

Cut resistant HPPE & Steel fiber liner

FEATURES

- » The 13 gauge HPPE liner results in a lightweight liner, while offering a stable cut resistance of level A5/ISO Cut D.
- » With the full coating of the fingers, the Omega-S Plus is ideal for tasks that require dexterity, especially in confined spaces with poor visibility of the fingers. The fingers are further protected from cuts, oil and liquid penetration.
- » Great grip in oily, dry and wet environment by using Towa's exclusive MicroFinish® coating technology.
- » By limiting the extra coating to the fingers, we allow the back of the hand to maintain breathability and transpirability, enhancing comfort during long work sessions.

APPLICATIONS
