NanoFinish™ technology for excellent grip

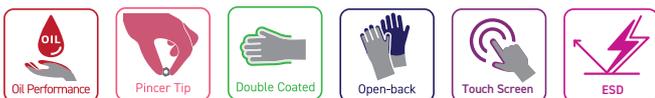

Nitrile double coating

Nylon & carbon fiber liner TOWA ergonomic design

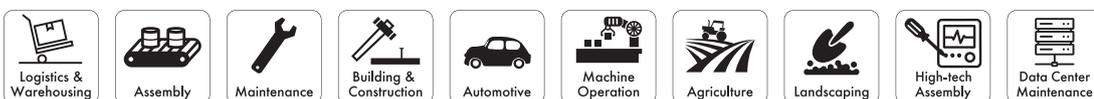

FEATURES

- » Towa's exclusive new coating technology, NanoFinish™, delivers incredible dry grip, enhanced abrasion resistance and excellent performance.
- » 21 gauge thin liner enhances fit and flexibility with no compromise on durability.
- » EN16350 certification ensures safe electrostatic discharge (ESD) control in workplaces where sparks could damage electronic components or ignite flammable substances.
- » Fully compatible with touch screens.
- » Towa's proprietary ergonomic hand mold provides an superior fit for maximum dexterity and fingertip control.
